

Kanawha Ski Club President's Latest Update - May 4, 2021

CRESCENT SKI COUNCIL (Crescent Ski Council.com)

Diane Andrews' May President's Update has been sent to our members.

We arranged a Munch and Mingle in May at Recovery. An opportunity to meet in person was welcomed by 13 members. Jim Barach, the weatherman, spoke to us about climate and weather and outlined his view of future changes worldwide. He also updated his experiences with the recent legislative session.

We will have the June Munch and Mingle at Mountain Pie on June 1. Future meetings were proposed at Olive Tree, Riverwalk and Los Agaves.

Summer outings were suggested for North Bend State Park, Pipestem State Park, Elk River trail and Kanawha State Forest.

We request your input and willingness to arrange one of these these venues.

Please let me know if you are interested in bicycle rides. Possibilities exist for some of the above locations. I would like to have input from members.

Crescent Ski trips are:

Steamboat December 4 to 11 2021

Sun Valley January 15 to 22 2022

We can expect to have Sports America's information on signups sometime this month

BOB GALLOWAY, PRESIDENT
