

## President's Report—February 2023

Greetings Fellow KSC Members!

Well, the 2022-2023 skiing/snowboarding season in West Virginia has certainly taken a downturn with the recent warm weather! What a shame that today's torrential downpours are not dumping snow at our West Virginia ski areas! Think snow!

### Crescent Ski Council Ski Trips

While the Crescent Ski Council trips for 2022-2023 (Steamboat and Jackson Hole) are "in the books," it's never too early to start thinking about next year's trips to Steamboat (December 2023) and Angel Fire Resort outside of Taos, New Mexico (January 2024).

Thank you, Fred Rowland, from our sister [Crescent Ski Council](#) member club, [East Tennessee Mogul Mashers](#) for this awesome video from [Angel Fire Resort](#) outside of Taos, New Mexico. The Crescent Ski Council's January 2024 Ski Trip is going to take place at Angel Fire!
